

Aspirational for all of our young people

The Baker Clause

As part of our commitment to informing our students of the range of learning and training pathways open to them, we are happy to consider requests from training, apprenticeship and vocational education providers to speak with them.

Stone Bay School proactively seeks to build relationships with these partners as we plan our Preparation for Adulthood/Careers, Information, Advice and Guidance (CIAG) programme. The purpose of these relationships is to offer information on vocational qualifications and pathways.

Opportunities for providers to speak with students may include school assemblies, members of the community visits or employer and provider engagement events such as joint or separate career fairs.
